**DON'T WAIT
UNTIL FALL,
SPRING AHEAD!**

Kindergarten immunizations and health assessments
are important for many reasons, including:

- Tracking growth and developmental milestones
- Discussing any concerns about your child's health
- Preventing illnesses like measles, whooping cough (pertussis), and other serious diseases.

*Limit 1 prize per child patient. Limit 1 prize per adult parent/guardian. A child must receive required Kindergarten immunizations or Kindergarten Health Assessment between the dates of 3/15/24 - 6/30/24 to receive prize (while supplies last).
